

Dear Rollingwood Members:

We hope you are healthy and safe, and enjoying the summer as best you can in these challenging times.

We previously announced the possibility of closing the Pool in mid-August due to financial concerns and the potential impact on next year's dues. The Board has taken several steps to minimize the impact of COVID-19 on the Pool's finances, such as delaying opening, reducing hours, and reducing utility costs. Due to these cost-saving measures, we are pleased to announce that we plan to keep the Pool open through Labor Day Monday, September 7. At this time, the Board believes we can keep the Pool open through Labor Day without a significant effect on next year's dues. The current hours will remain in place for now, but could be changed in coming weeks due to staff returning to college or revisions to the current state/county COVID procedures.

Many thanks to all our members who have stepped up to help in this challenging season. We value their efforts in everything from fundraising to bringing in food trucks to offset the closed snack bar to pointing us in the right direction to take advantage of federal programs. Members are owners at Rollingwood and we have been thrilled to see so much participation and enthusiasm for the Pool this summer!

We also take this opportunity to remind everyone of the mask and physical distancing requirements that apply when entering, exiting, and moving about the Pool grounds, including when accepting food deliveries or visiting the food truck vendors. As you may know, the State of Maryland recently expanded its mask requirements, and similar requirements were previously imposed by Baltimore County. We appreciate the vast majority of members that have helped us comply with these state/county requirements.

As always – stay safe and see you at the Pool!

Rollingwood Board of Directors
