

Many of you might have seen Governor Hogan's press conference this evening. He announced several extensions to his re-opening plan including the opening of outdoor pools with limitations. While we are as anxious as you to get back to our normal summer routine, we are licensed by Baltimore County and must adhere to the County's rules. Baltimore County is still limiting the number of people at a pool to 10, including staff, and the only activity allowed is lap swimming. We pledged to act in a fiscally responsible manner and it does not make financial sense to open the pool for only 7 members at a time (we require 3 lifeguards at a minimum at all times for safety protocol). In addition, we have 450 member families and it would be impossible to determine a fair and equitable way to allocate such a limited number of slots. We continue to monitor the situation and are taking all steps we can to prepare for re-opening. We look forward to seeing you at the pool as soon as possible.

Thank you,

Rollingwood Pool Board of Directors
