

Dear Rollingwood Pool Members,

We hope you all have been enjoying the pool this season. We felt it would be helpful to send out a few reminders to our members. Additionally, we have simplified the health assessment form for our members' convenience. The new form is available on the website. All members with the same last name will be able to complete one form per visit. If you have already printed out copies of the old form, that is fine. The old form will still be accepted for entry. If you have any questions, please visit the website for more information including an FAQ. The COVID Pool rules have been updated to include the revisions for grills, picnic tables, houseguests, and entry for children 12 and over.

1. Health assessments and ID cards are required for each pool visit. Please include both your first and last name when filling out the form. If members can not complete the forms accurately, we may need to switch to a reservation system for pool visits.
2. Social distancing is required when visiting the pool. Please remind everyone in your household that they should be distancing from non-household members when in the pool and on the grounds.
3. Please wear your masks when moving around the grounds.
4. The playground remains closed at this time.
5. Pre-paid guest passes for the 2020 season will be honored for the 2021 season.

Members that do not comply with the pool rules and members that abuse privileges such as nanny passes may be denied entry to the pool, suspended, or lose their bond. Please help us keep Rollingwood Pool open and safe!

Rollingwood Pool Board of Directors
