

Rollingwood Seals Parent Handbook 2021

Welcome to the Rollingwood Seals Swim Team! The Seals swim in Division III of the Central Maryland Swim League (CMSL). The CMSL is comprised of 9 Divisions with a total of 49 teams (www.cmsl.org). If this is your first time participating in a competitive Summer swim league, then there is a lot to learn and it is highly recommended that you become familiar with this handbook as well as the coaching staff and other parents.

COMMUNICATION

Much of the information for the year can be found on the swim team bulletin board (located between the girls and boys locker room at the pool) or on the swim team page of the Rollingwood web site (<https://www.rollingwoodpool.org/swim-team>). Please check the swim team and announcements page (blue announcements button at the top of the swim team page) for meet sign out, results, statistics, volunteer sign up and food donations, and other information.

Email communication will be utilized throughout the season to provide information regarding upcoming events and to coordinate with parents on various topics.

Each swimmer will have a swim team folder located in the swim team file box. Information and meet ribbons will be put in the folders each week as well as swim team information. Please remember to check your folders regularly.

PRACTICE

Practice is an important part of improvement and as the season is short, we respectfully ask that parents try their best to make sure that their children attend practices as scheduled (practices will be held if it is cloudy or rainy as long as thunder and lightning are not present). Rollingwood provides evening swim practices prior to the end of BCPS closing for the summer (preseason) and provides both morning and evening swim practices following the dismissal of BCPS schools (regular season). Please note that evening practices during the regular season are intended for those families that cannot attend the morning sessions and as lanes will be limited, we ask that you please attend the morning practices if you are able. Practice schedules are listed on the website.

SWIM MEETS

This season there are 3 double or triple dual paper meets held on Saturday mornings from mid-June through the mid- July. These meets will all be swum at Rollingwood with just the Rollingwood teams. Meet entries and results will be sent

to the meet host to score the meet. Each swimmer may only swim in 3 events including a relay.

Age Groups

The eligibility of a swimmer to compete in an age group is determined by that child's age on May 30th of the current season. It is very important that children attend the appropriate practice for their age group. The Coaching Staff works with each age group to not only build swimming skills but to also guide the swimmers for their age appropriate events.

2021 Meet Schedule

The meet schedule is posted on the swim team page of the website.

Dual Meet Duration/Arrival Times

We anticipate that this year's swim meets will run about 3 hours. Swimmers should be at the pool by **7:40 am**.

Swimmers are to check in with the coaches upon arrival.

Meet Sign Out

Any swimmer unable to attend a meet should sign out no later than the Tuesday before the meet. An electronic sign out sheet is posted on the swim team announcements page of the website. Lineups need to be submitted to the host teams by noon on Friday so coaches need to know who will be in attendance in order to properly strategize and increase the team's chance of scoring well at the meet.

Order of Events for Summer Swim

The following table depicts the order of events for CMSL. This order of events is used for dual meets as well as the Straehle and Division Championship meets.

Lineups (How do I know what I am swimming)

Swimmers will be placed into a final lineup by noon on the Friday prior to the meet. The meet program and entries by swimmer name will be distributed by email sometime Friday (could be later in the afternoon/evening). Please make sure your swimmers know their events so that they do not miss them.

Seeding and Heats

Seeding is a process where all of the swimmers for an event are grouped into heats, based on the number of lanes in the pool (For example if there are 35 swimmers in the boys 9-10 backstroke and the meet is swum at a 6 lane pool, there will be 6 heats). Lane sheets will be printed after the seeding is complete and will be used to run the meet. Swimmers are responsible for knowing their events. There are parent volunteers that will let swimmers know what event is lining up (getting ready) and that can help with the 6&Under and 8&Under swimmers. Heats are swum from slowest to fastest. The meet program, distributed on Fridays, will include the event, heat, and lane assignments.

Clerk of Course

There will be a clerk of course for all meets. The clerk is usually stationed somewhere around the starting area and the purpose is to line up swimmers by event, heat, and lane so that the meet runs smoothly. The clerk usually lines up approximately 6 additional heats behind the heat that is swimming.

When is my Event

During the meet the announcer will call out the events and instruct swimmers to report to the clerk of course. It is the responsibility of the swimmer and the parent to know their events and what events are lining up. Swimmers should go to the clerk of course at least 3 events prior to their event to be lined up. For swimmers eight years and under, a parent or coach will announce that the kids are to report to the clerk of course. Due to the large number of eight and under swimmers, this may be about 7 or 8 events prior. **It is not the responsibility of**

the clerk of course or other parents to find your children and line them up.

So, please pay attention and help your child get to their event in time so that your child does not miss their swims.

TEAM EVENTS

Team Pictures

Team pictures are scheduled for July 17. We will gather for the picture at 7:30am so please try to make sure your swimmer is there on time. The picture will be available for download from the website.

Fundraisers

In a normal season, the team will host several fundraisers during the course of the season in order to subsidize the program registration fee. For the 2021 season fundraising will be limited to the 50/50 raffles at the swim meets and a potential pit beef fundraiser later in Aug (COVID permitting).

PARENT RESPONSIBILITIES

The swim team is a TOTAL volunteer effort. We require participation of EVERY PARENT to help the season run smoothly. It would be greatly appreciated if a parent from each family could work at least $\frac{1}{2}$ of each meet.

Whether you are new to competitive swimming or have years of experience, please know that the Rollingwood Swim Team wants to make this summer experience good for all who participate, and we will do our best to help everyone find the job that best suits them. There is always an experienced parent that is willing to help the new families! Just let us know! We want your help!!

Job Opportunities

CLERK OF COURSE: The clerk of course lines up both swimmers by heat and lanes.

ANNOUNCER: This is the person who announces the events at home meets.

CONCESSION STAND: For 2021, the Seals will run limited concessions (no grill). Volunteers are needed to work the concession stand (2 shifts). Requests for food donations are coordinated via the online volunteer sign up.

HEAT WINNER AWARDS: At all home meets, prizes are given to the winner of each heat. Two volunteers are needed for this post to work $\frac{1}{2}$ of the meet.

RAFFLE TICKETS: We will sell 50/50 raffle tickets at each home meet. We need 2 volunteers to work 1/2 of each meet to walk around and sell the tickets.

TABLE WORKERS: There are various positions available at the scorer's table during each meet. Table workers record the meet results and keep the score.

TIMERS: Timing is fun and you are where the action is. For 2021, we need 18 timers for each half of the meet. No experience is needed and provides a great way to become familiar with the swimmers and meet cool parents.

RUNNERS: Person who collects the swimmer's cards from the timers and deliver them to the scorer's table after each event.

STROKE AND TURN JUDGES: At each meet, we must provide at least one stroke and turn judge. Stroke and Turn judges need to be CMSL certified. CMSL requires a short online training to meet the certification requirement. YMCA or USA Swimming certification will meet the requirements of CMSL certification.

SET-UP: We need volunteers to get our pool ready for our home meets. Some set up is completed Friday evening prior to closing. Some help is also needed early in the morning on meet days - around 7am so if you can arrive early, feel free to ask what help is needed.

CLEAN UP: After each home meet, we need everyone to pitch in and help make the pool presentable for our members.

While these jobs may seem overwhelming at first glance, lots of people are there to help; it is really fun and rewarding to be part of the team. Without your help we would not be able to run the swim meets!!!

WE THANK YOU AHEAD OF TIME FOR YOUR HELP IN THESE AREAS.
