(last updated Jun 10, 2021)

PLEASE READ THIS INFORMATION CAREFULLY AND SHARE WITH EACH PERSON IN YOUR HOUSEHOLD.

ALL CHILDREN SHOULD BE SUPERVISED TO ENSURE COMPLIANCE WITH THESE RULES.

VIOLATIONS OF THESE RULES OR ANY INSTRUCTIONS FROM A ROLLINGWOOD STAFF MEMBER MAY RESULT IN LOSING THE ABILITY TO USE THE POOL, SUSPENSION OF YOUR POOL MEMBERSHIP, OR REVOCATION OF YOUR POOL MEMBERSHIP.

The following rules are in addition to the Rollingwood Pool Rules available at: <https://www.rollingwoodpool.org/pool-rules>, signs posted at the Pool, and Rollingwood Staff instructions. The safety of all Pool members and Staff is our number one goal. Please be patient as we implement the processes and procedures required by the State of Maryland, Baltimore County, and the Centers for Disease Control (CDC). **These rules and processes are subject to change.**

By entering the Pool, you are acknowledging that you and all members of your household have read, understand, and agree to abide by these rules (as well as any subsequent changes to these rules), the Rollingwood Pool Rules available on the website, signs posted at the Pool, and any instructions from Staff.

[Liability Waiver](#)

All persons entering the Pool are required to have a signed liability waiver on file. A waiver form is posted for each member in the member splash system for review and acknowledgement. Members are required to read the waiver and digitally consent. Members 18 and over should read and sign their own waiver form and a parent may sign off on waivers for those household members under the age of 18. For nannies and guests, a waiver form will be accessible from the COVID page of the website for printout and will also be available at the gate. Once a nanny/guest waiver is signed, it will be retained at the gate for future visits.

[Health Forms and Temperature Checks](#)

Members are not required to submit health forms or undergo temperature checks at the gate, but will be required to adhere to these supplemental procedures regarding pool entry and signage posted on the premises.

Please do not come to the Pool if: (1) you have any symptoms of COVID-19 or are sick in general; (2) you have been exposed to anyone with COVID-19 or symptoms of COVID-19; or

(3) you have travelled to an area that has had a recent outbreak of COVID-19 or is considered a “hot spot.” If you or any member of your family exhibits COVID-19 symptoms after visiting the Pool or if you find out that you or any member of your family has been in contact with any symptomatic individuals before visiting the Pool, please inform the Manager on duty or the Board directly.

Masking, Capacity, and Social Distancing

At this time, per Baltimore County Health Department, all capacity restrictions have been lifted. However, social distancing guidelines are still in place. If it becomes impossible to ensure appropriate distancing, Management reserves the right to clear the Pool or stop members from entering the Pool until other members leave. If it is a consistent problem, the Board reserves the right to implement measures to manage capacity.

Masks are no longer required for people that are fully vaccinated; however, masks will be required for all members and guests (2 years and older) in the office and bathrooms. Masks are required for unvaccinated persons in the office.
